Year 6 Class Teacher – Summer Term 2025

Description

Key Stage 2 Class Teacher

I have been contacted by a school in the South of Buckinghamshire who are hoping to find a suitably qualified and experienced teacher to cover a Year 6 Class from April 2025 right through until the end of the Academic Year. They have received an unexpected resignation as one of their teachers is relocating to a new area.

The majority of the class are working well above expectation and will need pushing. Behaviour in the school is good.

The ideal candidate will be:

- Committed to setting and achieving high expectations of all pupils
- Willing to take part in extra-curricular activities and events in the wider community.
- Experienced in both the planning and delivering of engaging schemes of work that ensure pupils make good progression in their learning.
- Able to integrate well into our existing staff team
- Able to create an inspiring and exciting classroom that is conducive to good learning

The school may decide to make this a permanent position for September 2025 if the summer term goes well.

Please contact Bradley for more details and to register.

It is essential to move fast if you are currently in post.
