KS2 Teacher – High Wycombe

Description

I am recruiting for an incoming Head Teacher at a school in High Wycombe in a period of transition. He has asked me to find for him 3 experienced KS2 teachers.

This is an exciting time for the school and the new additions to the team will be tasked with raising standards and driving this school forward.

This is a great opportunity to be part of a team to inspire and make a difference in this large and well resourced school.

I am looking for good and outstanding teachers who are up for a challenge.

You must have Qualified Teacher Status and recent experience of teaching in KS2 and be prepared to go through the rigorous safeguarding checks required for any teaching position.

If this sounds like you please get in touch.
