Class Teacher – Year 5

Description

Primary School Class Teacher

Green Teachers are recruiting for a Year 5 Class Teacher for a school in Bucks. This is a 1 form entry school. There are plans from previous years available but these would need to be tweaked to suit the current year group.

The school has a young and vibrant staff who regularly socialise together. This has led to an incredibly strong team being formed who work hard for each other.

Reluctantly the class teacher is having to return home to Canada which is why this vacancy has arisen. They are hoping to get somebody in place who can start in February 2025.

For us to be able to put you forward for this position you need to be fully registered with our agency. Please email with an up-to-date CV or call in.
