Year 4 Class Teacher – Maternity Cover

Description

KS2 Class Teacher – Maternity Cover

I am working closely with the Headteacher of a Primary School in Bushey to try and find for them a KS2 Class Teacher. The class that needs covering is one of their Year 4 classes. A KS2 Class teacher with recent experience of Year 4 would be the perfect solution as they would be able to hit the ground running. Having said that any KS2 class teacher or KS1 class teacher would be able to take on this position as there is an experienced Year 4 teacher in the parallel class.

This position is required to cover the maternity of an existing team member and as standard for this type of role the length of the cover required will be for up to 12 months

The successful candidate must have,

- A Passion for teaching and learning
- Availability for the entire Summer Term
- Qualified Teacher Status – QTS
- An Enhanced DBS check
- 2 Good References
